Harmonic built black bitch. Would prefer a bit more filled out muzzle. Correct stop. Nice expression. Correct skull. Well set ears. Good reach of neck. Good shoulder and length of upperarm. Well marked forechest prefer more depth under. Bones in harmony for her size. She is well ribbed. Bit long in loin. Good width over the croup which is a bit steep. Happy for her tail on the move. Good reach from side but bit close in rear. Parallel in front. Exc coat. Very well presented.
