13 moths, very masc. beautifully prop. dog giving a truly square outline, lovely brick shaped head, paralell lines, would love a little more stop, beautiful dog overall, exc. earset and carriage, needs more layback of shoulder, moderate ang. of upperarm, exc. forechest and spring of ribs for age, beautiful topline, strong and slightly sloping, tailset should be a touch higher, and the croup needs to be longer for a better tailcarriage, well angulated rear, exc. muscle condition, a sound mover even though i would love a little more reach in his front, outstanding coat quality pitch black colour with bright markings and a truly wire topcoat on the body, gives a lovely outline despite his tailcarriage, sweet temperament,
