9 1/2 months, feminine squarely made, lovely brick shaped head. scissor bite, would like a stronger underjaw. beautiful dark oval eyes, and well set ears complete a very feminine expression. needs more layback of shoulder, good ang upper arm. enough fore chest and spring of ribs, would like ribs carried further back. strong sloping topline, well ang rear. acceptable coat for age. but owner must be consistently working on the coat. a very easy smooth mover, balanced from all sides, gives a lovely outline standing.
