10 months old. masc dog, short bodied but today a bit up on legs. lovely brick shaped head. strong scissor bite. dark eyes, bit rounded. very well set and carried ears. mod front ang, little straight in upper arm. still needs to fill in front, strong slightly sloping topline. high set tail. mod rear ang. coat still a bit young and open, but already showing good quality on the back. a free mover. but like more stable front action and a touch longer neck would do wonders for his outline. a young dog who needs time to fill out but shows promise.
