4 years old. Large, strong, substanceful male. Very good coat condition. Very good color and pigmentation. Strong well formed masculine head with good expression. Dark mask. Good ears. Good neck. High wither. Slightly curved back into a long steep croup. Very good fore angulation. Slightly deep hind angulation. Has long hair, gives the impression of more depth but his proportions are ok. Stands a little east west in front and the pasterns must be firmer. Going is a little close but hocks are firm. Coming the elbows must be more closed. Shows balanced movements with good hind drive, but the forward reach can be a little more free. He carries his tail a little too high.
