Has a pleasing proportions + shape but very exuberant and difficult to access, quite pleasing head + expression but I would not like a longer muzzle than this, quite good ears and uses them, pleasing neck, enough angulation in front but too weak in pasterns, pleasing topline well angulated behind, should be sounder and firmer in his hocks specially on the move. In an in between coat between short and long hair. Has a lot of energy in movements but needs more purpose.
