Opinn flokkur		IS21703/16		
Flokkur		Ættbókarnúmer		
Espen Engh,		Brúnn/svartur		
Dómari		Litur		

7 years old, quite pleasing proportions, his lack of mask contributes to a foreign head type and his front teeth are like thrown into his mouth. Good ears, attractive neck, balanced ang in front I would like no more behind, his coat is in between the two varieties and should be shorter then this, his best thing is his movements, quite good coming and going and ok from the side
