Lovely, calm but alert, first impression. Correct size and proportions. Excellent length in head. Corr. expression. Good ears. The bit is correct. On tooth is a bit out of line. Excellent neck, attatched very well to the body. Lovely front angulation. Stil a bit narrow in front. Acceptable pasterns. Quite good feet. Enough depth and length in the ribcage. Could build even better muscle tone in the back with time. Corr. coup. Lovely wide thighs. A bit high but stable hocks. Good summer coat. Enough power in side movement. Quite good reach in front. Good drive. Correct parallelity.
