Dómari		Litur				

Feminin, alert bitch. Doesn't need to be longer in her proportions. Excellent length in head. A bit wide set, big ears. Excellent eye shape. Quite good color. The noseridge could be even straighter. The stop could be a bit more defined. Beautiful neck attatched exactly correctly to the body. Very good front assembly. Lovely forechest. Correct topline. Good length in ribcage. Enough strong loin. Good length in croup. Lovely thighs. Corr. bone and feet. Good pasterns. Correct coat for the season. The dog has super power on the move. Correct parallelity. The tail has at leas two kinks and she is not using the tail on the move. Veteranary attest provided, but to me this is not correct and the dog cannot be assessed.
