16 months masculine. Very typical skull, well placed nose. Open nostrils. Well placed eyes, just big enough. Pleasing expression. Typical ears. Very nice finish of the mouth. Correct short neck. Strong body. Correct tail set. Very nice muscular condition. OK feet. Well presented coat. Quite nice texture. A little lazy on the move. He can move when he wants. On the limit to be too heavy. He has a lot of good breed points. Very well marked and quite typical in temperament.
