20 mths. very fem. good size, and proportions. Fem. head that could be stronger, both in scull and escpecially in muzzle. Good ears, dark eyes. Moderate well set neck. Level back. Croup long enough. Good lay of upper arm. Good ang. rear. She is still very immature in her body, especially in her chest area, and could also use a stronger thigh. She is loose in her front movements, quite stable in rear. Side movements are unstable in front so she never quites hits the rythm. Has alot of maturing to do. Good coat, exc. temp.
