Very nice mover with good elastic action. Good bone, nice look to his pasterns. Very nice hind quarters. Real substance and strength. Super topline. Far too much flew. Head prop are good and that nice roman nose is good. Nice, kind expression. Too much fore-face, too much dewlap, so pendulous in flew. Has a nice arch to his neck. Nice shoulder, good in pro-sternum. Big rib. Need more body on him. Has good drive away. True coming towards. Very tidy easy gait going around.
