Good coloring. Would prefer darker eye. Pleasant enough in head. Just a bit too much dewlap. Quite wide in front. Shoulders are quite pleasing, needs a bit more fill in front. Very nice ribs in relation to length and spring, but I might like it a little deeper. Good length on the croup and good width, but the tail is a bit high set. Moves with some drive away. Comes towards a little wide. Topline is good. Overall picture quite moderate which is good.
