Quite pleasing for type. I would prefer little richer red on the legs but good enough on the face. Would prefer shade darker in eye. A little bit of dewlap. Earset good and her head pleasing. Really nice shoulder. Needs a bit more fill in front and she is tight in front as well. Super ribs, spring, depth and length. Short loin. She is good in the quarters and has a nice length of pelvis. Moves o.k. around, would like a little bit more drive.
