Good bone, nice feet. Good length to height prop. Racey. Balanced. A nice topline. Needs more furnishings. Good head planes. Quite tight on the bite. Really fabulous shoulder. Needs a wee bit of filling in front. Good spring of ribs. I would like them just a wee shaped deeper, the length is good. Good length and width of pelvis. Good first and second thigh. A little bit long in pelvis. A bit close going away but has some drive. Moves with some style, keeps a good topline.
