Quite appealing in shape. Correct level topline. Mod in hindquarters but with good first and second thigh. Good shoulder. Good in upper arm. Pleasing bone. Needs a wee bit more fill in chest. Slightly pendulous in frow. Would prefer darker eye. Shoulders are good, Just a wee tiny bit long in loin. Very good length of pelvis and tail set too high. Nice balance and overall shape is good. Has a good type. Moves with plenty reach and drive and keeps a good topline on the move.
