Moves with some drive. Short neck, stiff in shoulder. Good width of first and second thigh. Good bend of stifle. Just needs more legs. Tight in front. Needs tighter feet. Head planes are ok but is a bit steep in stop. Needs a wee bit more length of muzzle and a bit darker eye. Needs more fill in front, got really big ribs but I would like them just a wee bit deeper. Good length on the coup. Good drive going away and good reach coming towards. Short steps a bit on the around.
