Got a nice type to him. Topline is nice. Fab shoulders. Would like straighter front. Dark eye, good pigment, just a bit steep in stop. Want a bit more fore-chest. Bit tight in front. Nice upper arm and good shoulders. Big and long ribs and short long. Good width across croup, a wee bit short. Good width of first and second thigh. Really nice from behind. Very nice away, not so keen on tail carriage, very nice coming.
