Very feminine, excellent size and proportions, very feminine head, eyes are a bit too round in shape, would like her to have more of a typical expression, okay muzzle, marked stop, slightly high forehead, nice skull, well set ears of good size, ok neck, level topline, well bodied, too round feet, well set and carried tail, would prefer a cleaner black colour, nice on the move when not too fast, narrow in front, needs a little time for elbows to be more firm, lovely temperment, nicely shown and presented
