Feminine bitch who needs to be taller on the legs, gives a rather heavy expression, quite heavy in head, nice eyes, slightly large ears, good muzzle, short neck, topline could be stronger, ok set and carried tail, heavy boned, front feet should be more straight, turns her front feet outwards, a bit wooly coat, moves with a rather short step and looses the topline on the move due to her proportions, very nicely shown and presented, lovely temperment
